

How To Navigate the Dashboard

This is your new North Shore Cancer WALK Dashboard on Crowdrise. The dashboard is the same whether you started a team or are WALKing as an individual. Below you will find a guide to navigating the dashboard.

The screenshot displays the Crowdrise dashboard for a "Cancer Walk - 2018 North Shore Cancer WALK" campaign. On the left is a navigation sidebar with the campaign logo, name, and progress (250 pts), along with menu items: My Fundraisers, Dashboard, View, Edit, and Advanced. The main content area has tabs for Raised, Donations, Traffic, and Set Up. The "Set Up" tab is active, showing a 60% completion progress bar and a "Write a Description" section with a "Write a Description" button. Below this are options for "Choose Charity", "Description", "Photo", "Share", and "Set a Goal (Optional)". A "Post Update" section contains a text area with a "Title" label and a "Keep your supporters updated..." placeholder, along with rich text formatting icons and a "Preview" button. At the bottom, an "Activity Feed" section features a "Get the word out" notification with a megaphone icon and social sharing icons for email, Twitter, and Facebook. On the right, a campaign cover image placeholder is shown with the text "A cover on your campaign makes all the difference" and an "Upload a cover" button. Below the cover are social media sharing buttons for email, Twitter, and Facebook, and a URL: <https://www.crowdrise.com/o/en/campaign/cancer-walk---2018-north-shore-cancer-walk/cancerwalk3>.

Dashboard Features – Main Page

The image shows a screenshot of the Crowdrise dashboard for a fundraiser named "Cancer Walk - 2018 North Shore Cancer WALK". The dashboard is divided into several sections:

- Header:** Shows the fundraiser's name, "Cancer Walk - 2018 North Shore Cancer WALK", and a "Team Name" label with an arrow pointing to it.
- Progress:** A progress bar indicates "60% complete".
- Write a Description:** A section with a "Write a Description" button and a text area for the fundraiser's description.
- Navigation:** A sidebar on the left contains links: "My Fundraisers", "Dashboard", "View", "Edit", and "Advanced". Red arrows point from callout boxes to these links:
 - "Shows your team members" points to "My Fundraisers".
 - "Takes you back to dashboard home page" points to "Dashboard".
 - "Takes you to your fundraising page" points to "View".
 - "Make edits to your fundraising page" points to "Edit".
 - "Make advanced edits to your fundraising page" points to "Advanced".
- Campaign Cover:** A large image area for the campaign cover with the text "A cover on your campaign makes all the difference" and an "Upload a cover" button. A red arrow points to this area.
- Social Media Buttons:** A row of buttons for email, Twitter, and Facebook. A red arrow points to these buttons, which are labeled "Social Media Buttons".
- Direct Link:** A text box containing the URL "https://www.crowdrise.com/o/en/campaign/cancer-walk---2018-north-shore-cancer-walk/cancerwalk3" with a share icon. A red arrow points to this link, which is labeled "Direct link to your fundraising page for sharing".
- Activity Feed:** A section titled "Activity Feed" with a megaphone icon and the text "Get the word out" and "Tell everyone you know about your fundraiser. Email everyone, post on social, make a video. Be relentless." It includes icons for email, Twitter, and Facebook.
